

## FRIENDS OF THE FOUNDATION

Dear Friend,

The year 2018 marks the 25<sup>th</sup> anniversary of The Union County Foundation. As the Foundation celebrates this proud milestone, it's important to thank supporters like you – whose contributions to our community make it such a wonderful place to live.

In 1993, the Foundation's first board created a vehicle for fellow residents to encourage charitable acts in Central Ohio. They understood the impact that could be made when individuals who love their hometown are able to direct their dollars to *local* projects and people.

They could not have envisioned that, 25 years later, this new organization would have:

- Awarded **\$1,130,239** in scholarships to **939** area high school students.
- Granted camp scholarships of **\$112,577** to **161** children with disabilities.
- Facilitated **\$693,166** in donations for two veteran's memorials: in Richwood and Marysville.
- Underwritten hundreds of programs that address drug prevention, the arts, literacy, senior citizen needs and much more – all told, distributing **\$8,463,692** to initiatives that have made Union County the thriving, forward-thinking environment we're so proud of!

The Foundation has grown beyond all expectations and today, the largest challenge to that growth is managing its operations. That's why we're reaching out to you with a request to be part of a new effort: the **Friends of the Foundation** annual support program.

Being launched as part of our 25<sup>th</sup> anniversary year, this is a meaningful way for you and/or your business to *walk alongside us* as we press forward with the good work of the Union County Foundation.

We invite you to partner with us by becoming an annual member of the **Friends of the Foundation**. Each calendar year, you will have an opportunity to renew your membership. Through your participation, the Union County Foundation can continue to help turn charitable dreams into charitable acts of reality. Will you please join us in making Union County an *even better* place to live, work and raise our families?

With Gratitude,

*David*
