

UCF COVERED BRIDGES TOUR

Dear Friend,

The UCF Covered Bridges Cycling Tour is back for 2018! This year's event is scheduled for Labor Day Weekend, Saturday, September 1st. The UCF Covered Bridges Tour has become a premiere cycling event for Union County. And again this year our event is officially a **Grand Prix Series** event sanctioned by the Union County Health Department.

This full service cycling ride features the beautiful covered bridges of Union County as well as unforgettable rural vistas. The event will attract cyclists from all around Central Ohio and beyond. We expect several hundred participants in 2018. **We would like you to consider partnering with us as a sponsor.**

The Marysville cycling community is hosting this ride with proceeds to benefit The Union County Foundation. This will be a full service ride offering beautiful routes of 19, 30, 63, and 75 miles. Cyclists of all skill levels will be participating. This year we hope to have some corporate teams as well. What a wonderful event for Marysville and Union County!

We ask you to consider being a sponsor for this important local event. Please return the enclosed form with your sponsorship selection as soon as possible but not later than June 23rd. If you would like to discuss a sponsorship in more detail or have additional questions please contact Dave Vollrath or Alan Rupert via the Foundation office at 642-9618.

Thank you in advance for your support.

Best Regards,

Alan
