

UNION COUNTY FOUNDATION

INVEST TODAY. SHAPE TOMORROW.

August 2019

Dear Friend of the Foundation,

You are cordially invited to our seventh annual Foundation Celebration, set for Thursday, September 26th at the Honda Heritage Center, 24025 Honda Parkway, Marysville (43040).

Keynote speaker will be Noa Kageyama, an MHS graduate and professor at the renowned Juilliard School in New York City. Noa's musical achievements inspired this year's celebration theme: "A Symphony of Support."

While he holds a violin performance degree from Juilliard, Noa specializes in performance psychology. He earned a bachelor's degree in psychology from Oberlin College and advanced degrees in counseling and counseling psychology from Indiana University. Noa's focus is teaching performing artists how to use sports psychology principles to demonstrate their full abilities under pressure.

Also being recognized at the event is Gerry Dackin, a founding UCF trustee and past chairman and executive director of the Foundation. An ardent supporter of the Foundation since its inception, Gerry retired as past president of National City Bank in Marysville.

The evening will begin at 6 p.m. with appetizers and time to visit the outstanding Honda Museum, followed by a buffet dinner and program. Raffles and a brief live auction will wrap up the celebration.

Tickets for this fundraising event are \$75 per person. Table sponsorships are available for \$550 and include eight tickets. Please respond before September 9th by mailing the enclosed card with payment, calling the Foundation at (937-642-9618) or e-mailing your ticket request to: info@unioncountyfoundation.org. Credit card payments can be made via our website at unioncountyfoundation.org.

We hope you'll continue to be part of our "Symphony of Support!" While we personally invite you as a friend of the Foundation, the celebration is open to the public, so feel free to share this information with your friends and family.

Best Regards,

Julie
